

ALBUQUERQUE SCALE MODELERS CLUB

Interested in scale modeling? If so, the Albuquerque Scale Modelers (ASM) Club invites you to attend one of our monthly meetings. Meeting events normally include a model contest, club business, modeling skills demonstrations, and sometimes a historical speaker. ASM includes all types of modeling – aircraft, armor, ships, figures, cars, space exploration, science-fiction, anime – whatever your particular interest might be. Membership is at four levels of modeling skills: Junior, Basic, Intermediate and Masters.

ASM meets on the first Friday of each month at 7:30 pm, at the University of New Mexico's Continuing Education Center at 1634 University Blvd NE in Albuquerque.

Please drop by and join us. Feel free to contact any of the Board Members below for additional information, or visit the ASM website at <http://abqscalemodelers.com> where you can find out about ASM activities and upcoming meetings.
