

ALBUQUERQUE SCALE MODELERS CLUB

Interested in scale modeling? If so, the Albuquerque Scale Modelers (ASM) Club invites you to attend one of our monthly meetings. Meeting events normally include a model contest, club business, modeling skills demonstrations, and sometimes a historical speaker. ASM includes all types of modeling – aircraft, armor, ships, figures, cars, space exploration, science-fiction, anime – whatever your particular interest might be. Contests are held at four levels of modeling skills: Junior, Basic, Intermediate and Masters.

ASM meets on the first Friday of each month at 6:30 pm, at the University of New Mexico's Continuing Education Center at 1634 University Blvd NE in Albuquerque.

Please contact an ASM Executive Board member at the E-mail address below about attending one of our meetings – see list below. Please visit the ASM website at <http://abqscalemodelers.com> to find out about ASM activities and upcoming meetings.
